

Docket #'s 98N-1230
96P-0418
97P-0197

9/9/99

46 '99 SEP 15 19:55

The FDA has jurisdiction to ban certain farm practices, such as forced molting of hens, the primary cause of infectious disease in hens, eggs, and the consumers of these eggs.

It is an inhumane practice.
Cruelty and contamination are linked!

FDA must do more than merely labeling
egg cartons with Bacteria Warning labels.

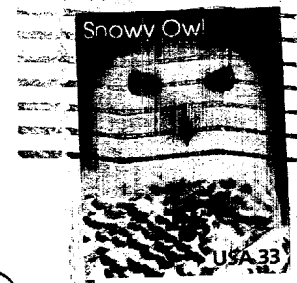

I urge the FDA to ban forced molting of hens.
